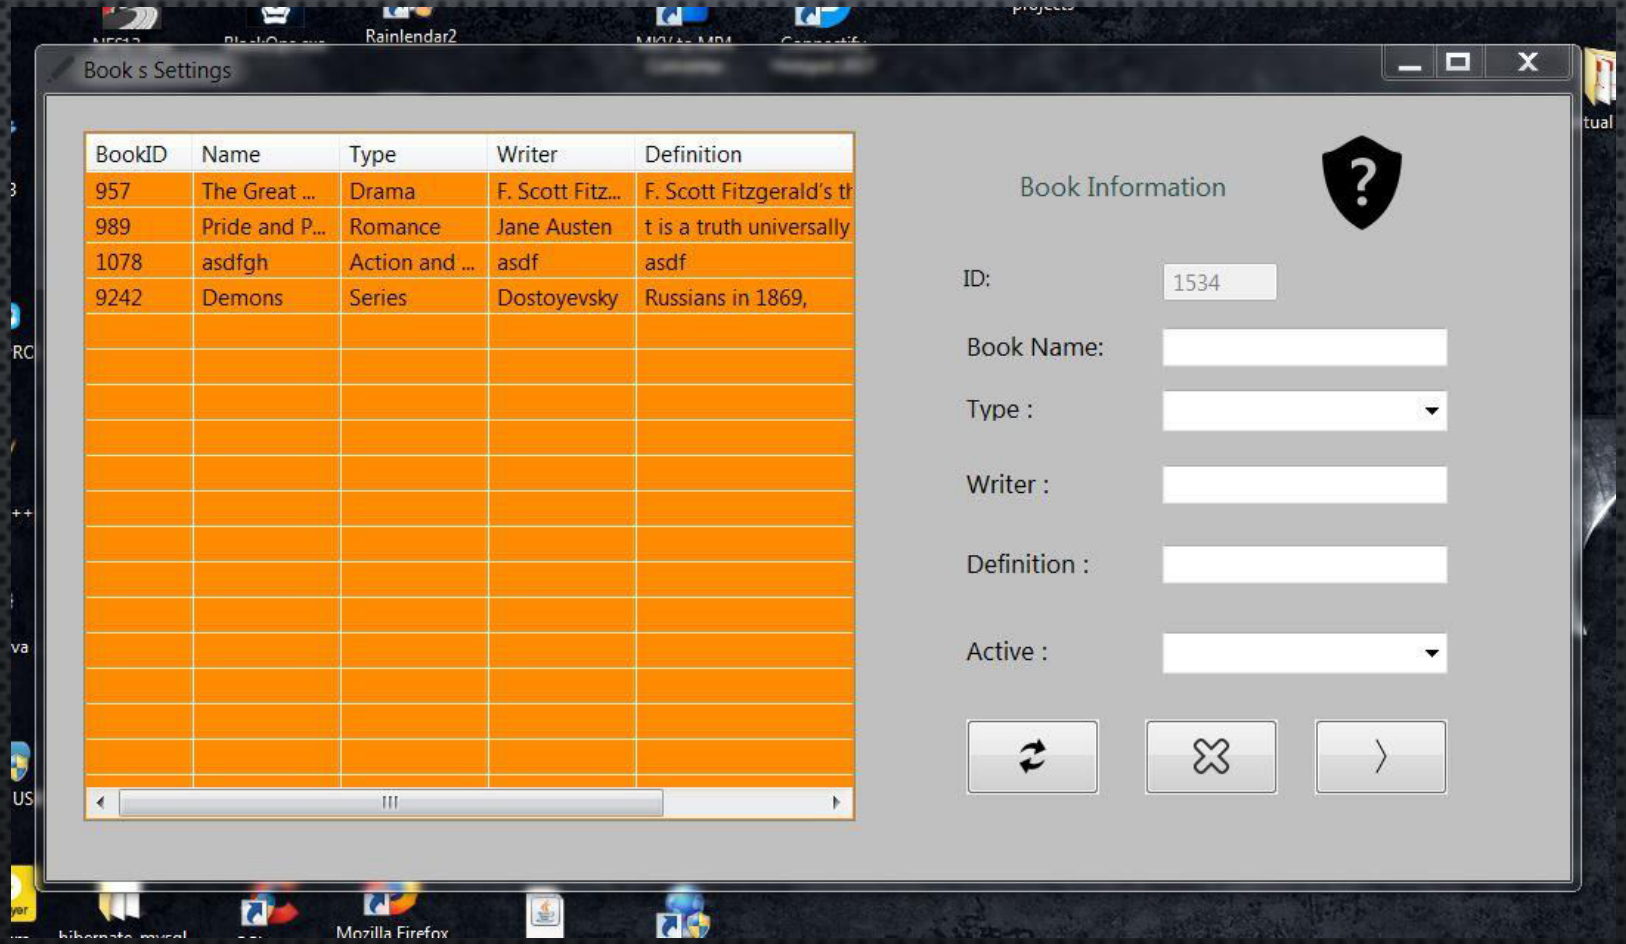
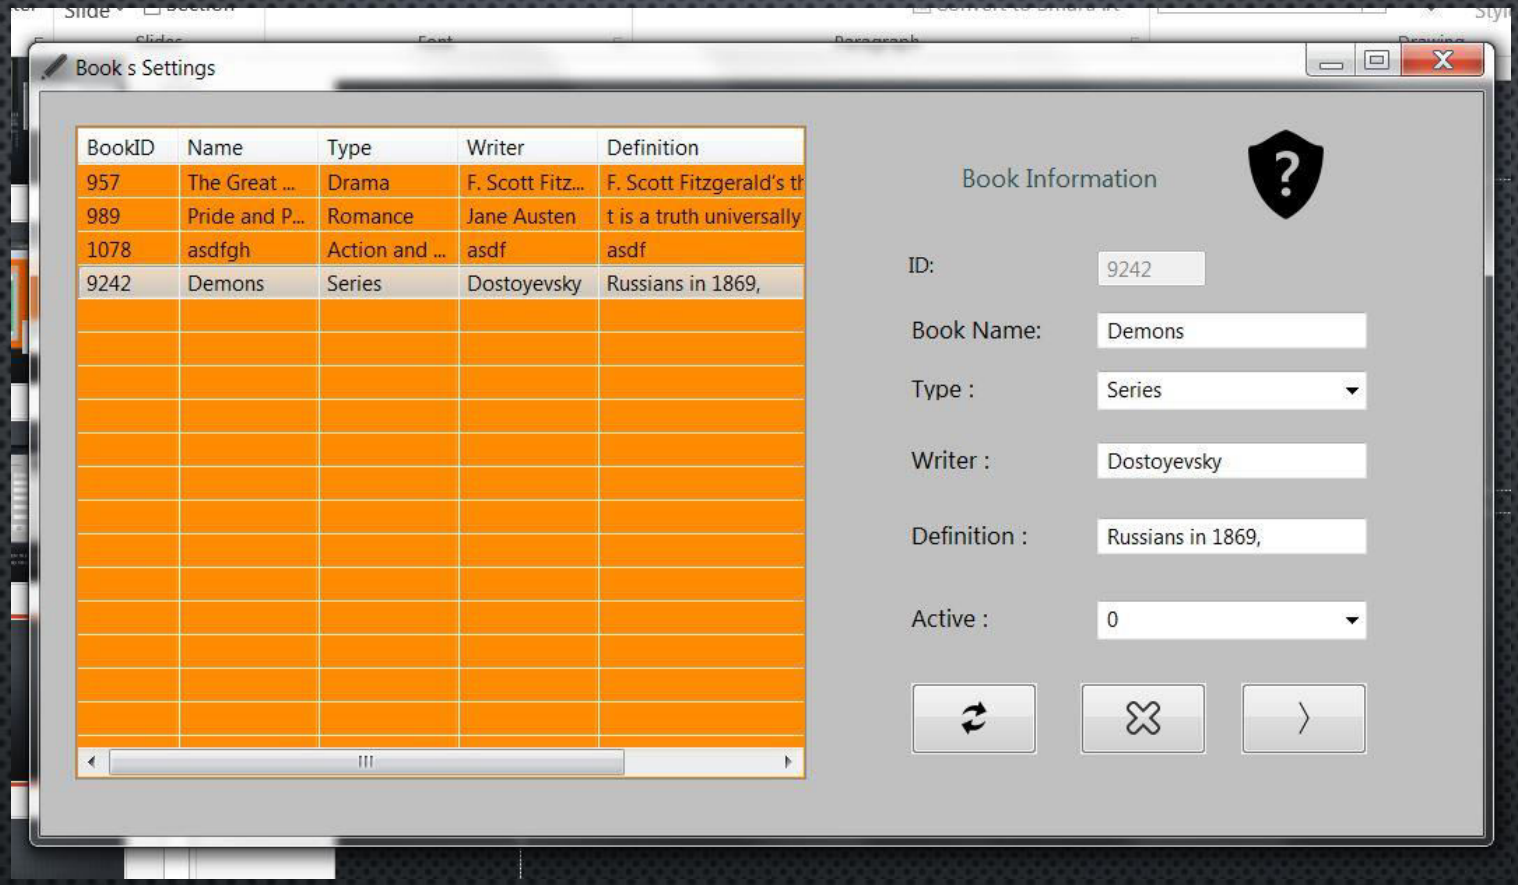
IN HERE,WE CAN ONLY SELECT LINE FOR DELETE

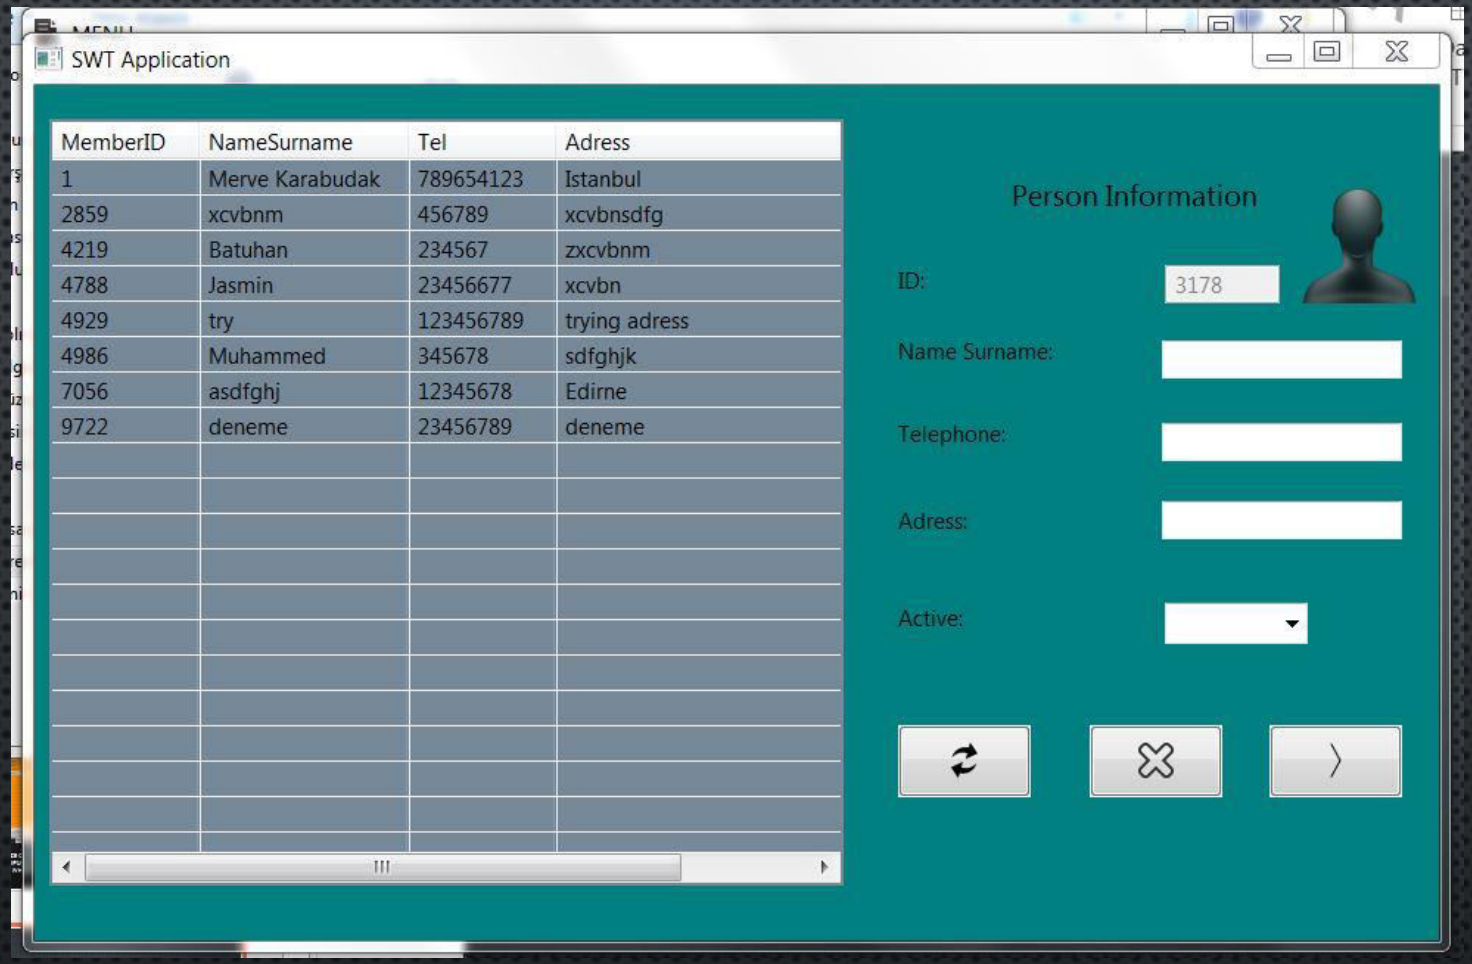
BOOK SETTiNG'S



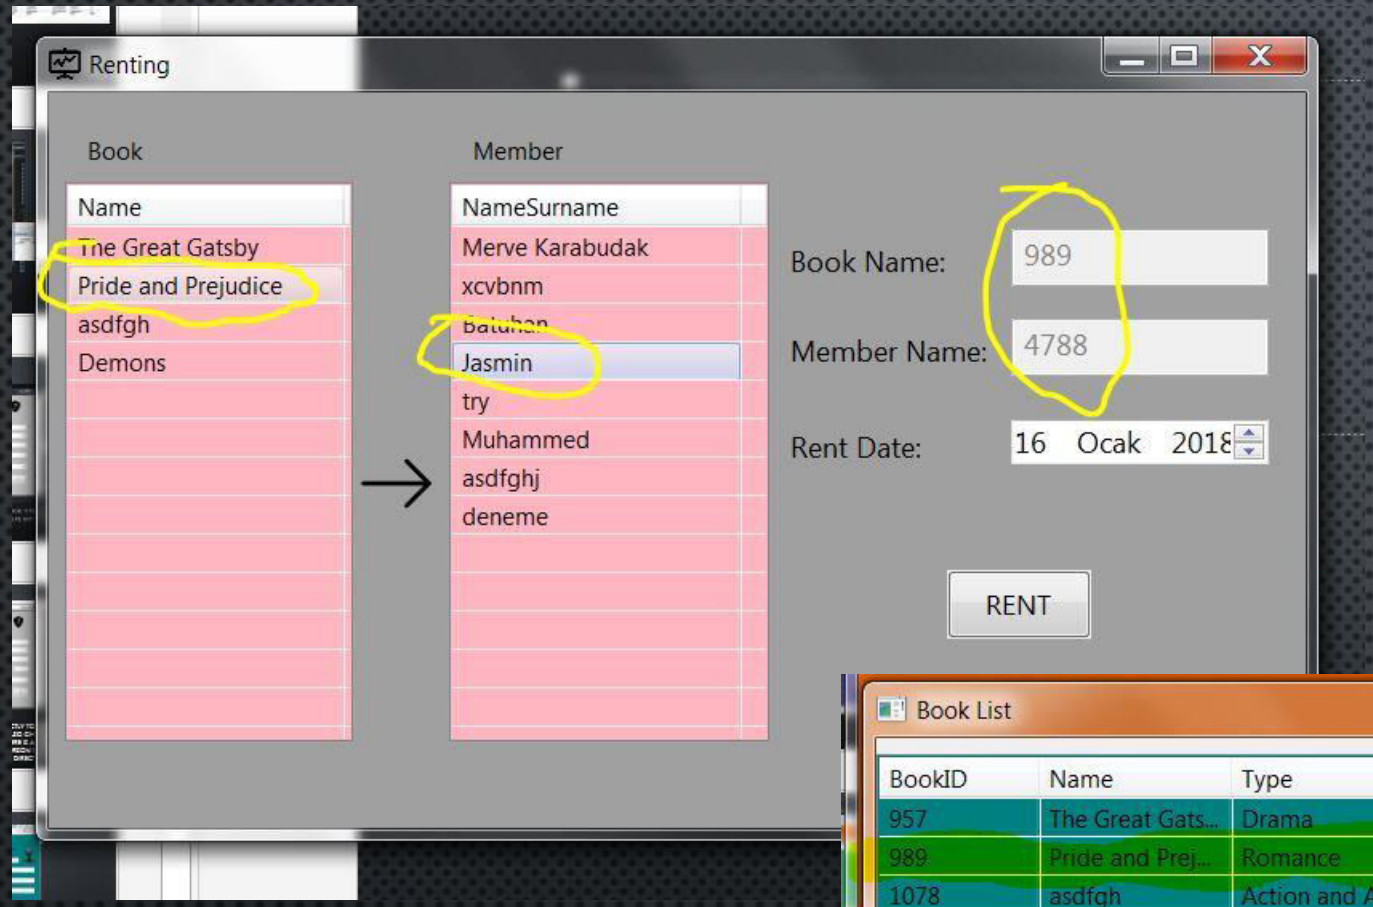
THE BOOK iD'S COMiNG DiRECTLY WiTH RANDOM NUMBERS WHEN THiS PAGE OPENiNG CAUSE OF iT COULD BE UNiQUE AND FROM THiS PAGE CAN UNDERSTAND FROM LiKE BUTON iCONS WE CAN DO ADD,UPDATE,DELETE SETTiNGS

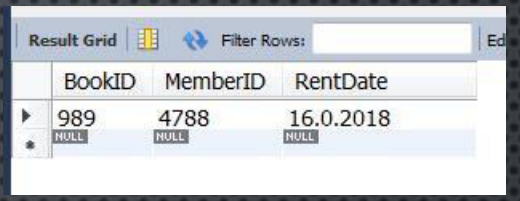


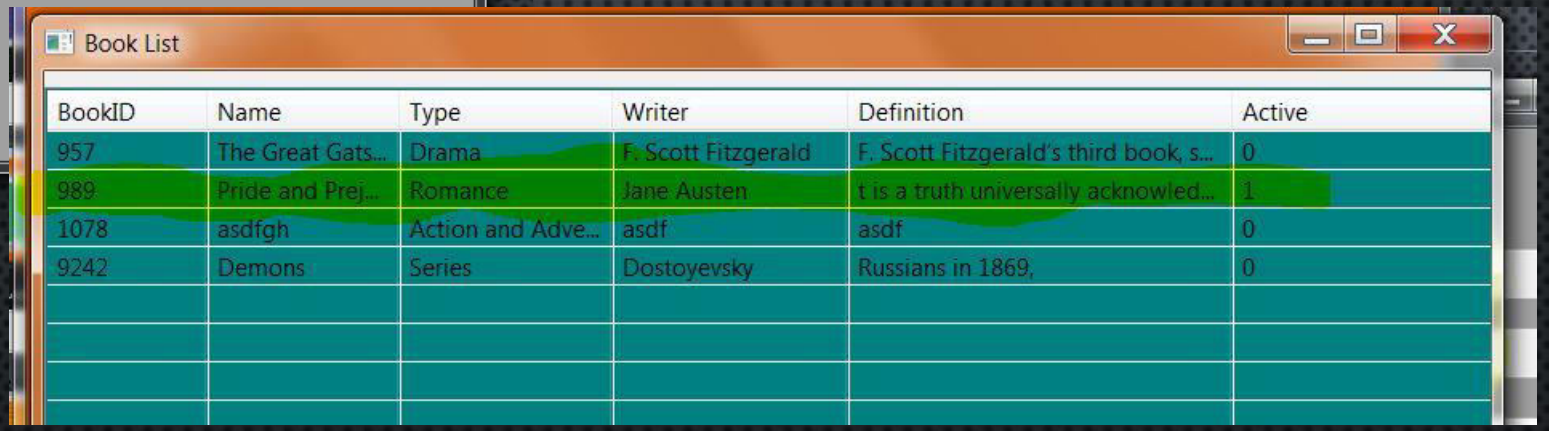
WHEN WE CHOOSE ONE BOOK FROM TABLE IT'S COMING DIRECTLY TO ORGANIZING AREA SO WE CAN MANIPULATE DIRECTLY AFTER CHOOSING AND IT ALSO CHANGING SAME TIME FROM DATABASE WHEN WE DO ANYTHING ,BUT THE THING IS THERE IS A ONE OPTION FOR ACTIVE(BOOLEAN) THAT MEANS IF WE RENT BOOK FROM THIS PERSON IT MEANS ACTIVE =1 OTHERWISE ITS =0 SO WHEN WE ADD NWE BOOK OR PERSON ITS DIRECTLY ACTIVE=0



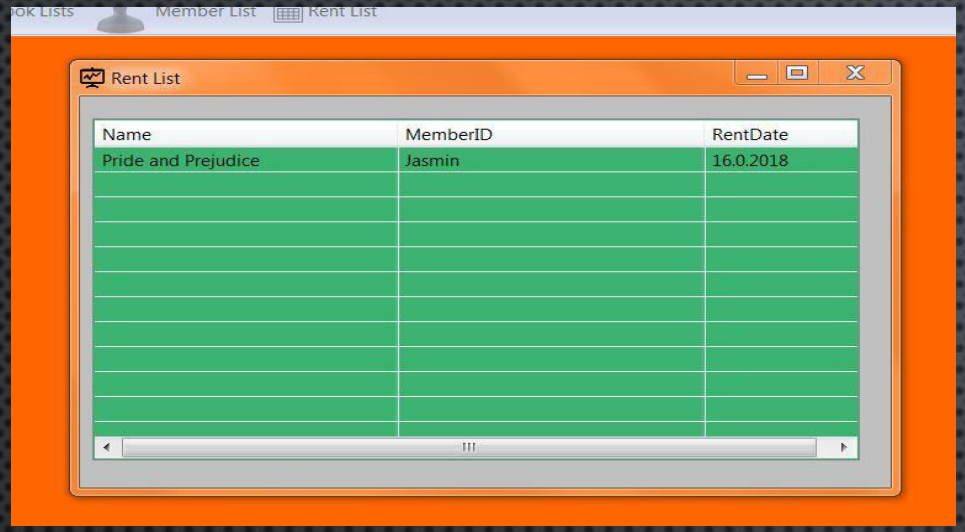
HERE IS THE SAME EVENT LIKE BOOK SETTINGS PAGE

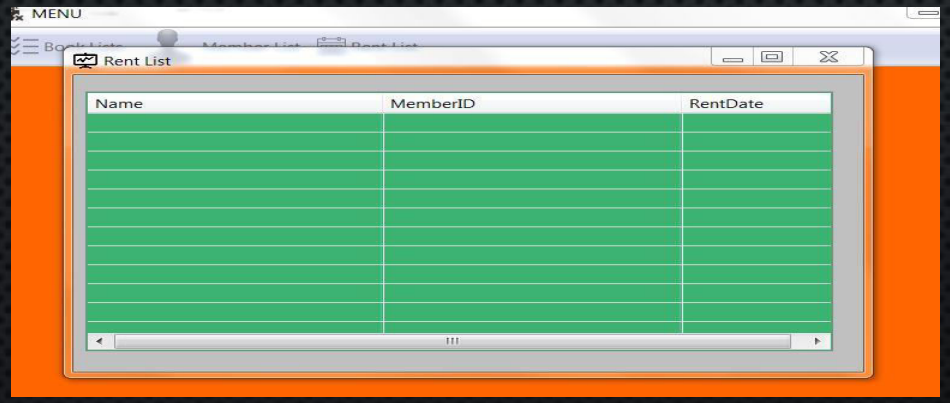


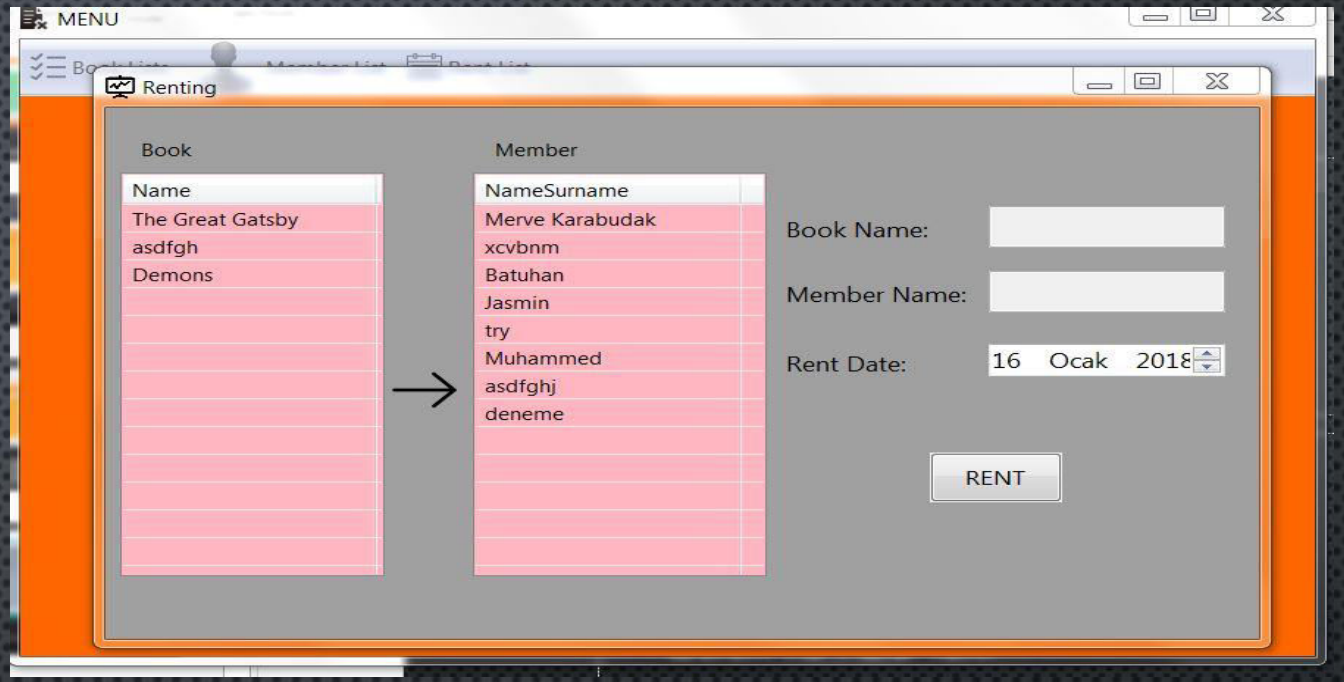


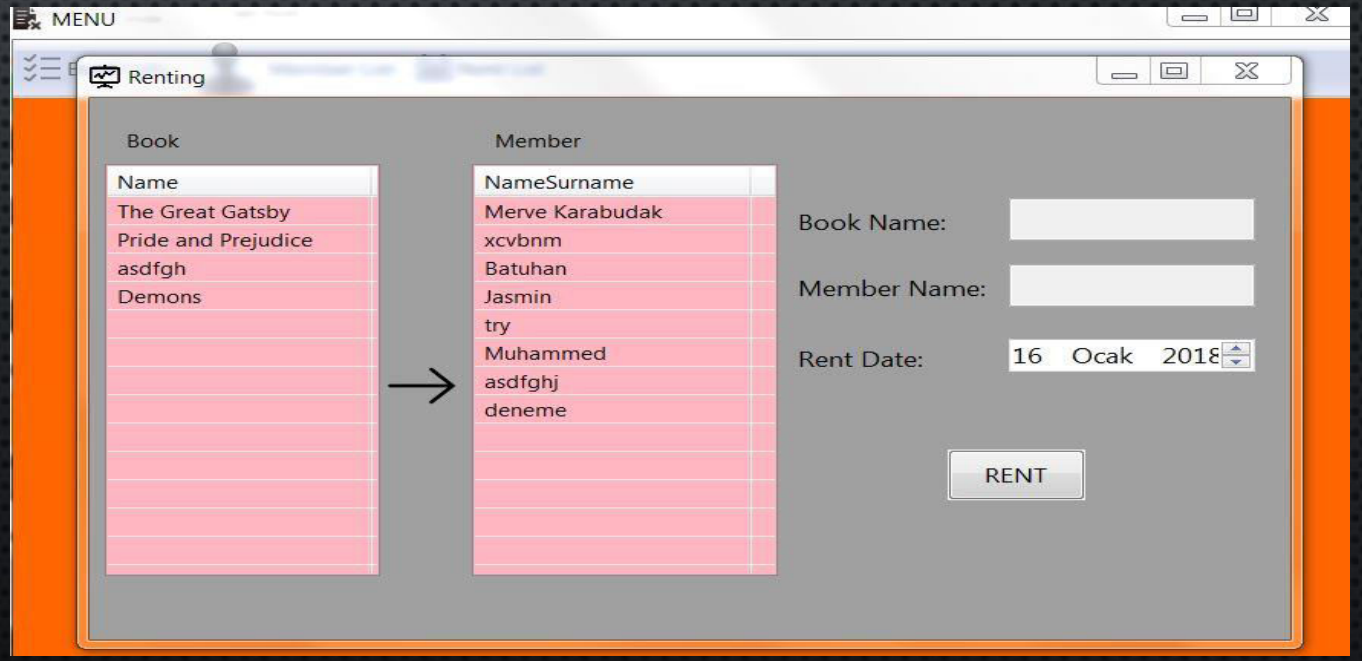


AFTER RENTING BOOK TO PERSON ,ACTIVE BECAME TO=0 SO WHEN ITS ACTIVE=1 WE CAN'T SEE THIS BOOK FROM RENTING PAGE AGAIN(TRIGGER) UNTIL WHEN WE DELETE THIS RENT LINE FROM BOOK LIST FRAME









SO WE RENT THE NAME OF ‘PRIDE AND PREJUDICE’ THAT BOOK NOW THE RENTING FRAME DONT SHOWING US TO THAT BOOK UNTIL WE DELETE THIS RENT EVENT
